Pâté Delight

Ingredients

1 cup cooked chicken, cubes
1 cup cooked ham, cubed
½ cup green olives, pitted
½ cup mayonnaise

Directions

Put mayonnaise into the glass container with half the olives, half the chicken and half the ham. Cover, and mix at **Hi Speed** for 30 seconds. With the blender running, add the remaining ingredients through the opening in cover. Continue processing until smooth. If the ingredients do not feed down the processing blades, stop and push the contents down to the blades with a rubber spatula. Serve on crackers or rounds of toast.
